

Note Editorial

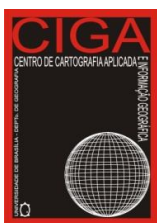

Plan and implement academic projects encompasses systematic challenges to the team and the employees. Each product made is a new opportunity to strengthen the goals and add the community involved and interested. Accordingly, the Electronic Magazine: Time – Technique – Territory, put in the cyberspace another planned volume. The Thematic Map below records the urban reference sites of the contributions in Brazil in the forms of articles, that make up the Year 3 of Volume 1 of this Magazine.

A hug to everyone!

The Editors.
